

Affleck, M.D. Eye Care, Aaron J. Affleck, M.D. and staff members cannot guarantee actual prices on your final bill for health-related services. The information may vary based on the particular facility providing the services, the patient's medical condition, unknown circumstances or complications, final diagnosis and recommended treatment.

**HOW TO FIGURE OUT THE COST OF A MEDICAL PROCEDURE**

**DISCLAIMER:**

Nothing on this page guarantees the quotes stated in this document. This is a cost estimation tool. Your actual cost may be higher or lower than the estimate for various reasons. You will be responsible for the cost of the procedures or services regardless for figures stated below.

**THE PRICE ESTIMATE:**

As healthcare can be complex, the price estimate we will provide is based on the most common or average charge amounts. However, because of unexpected circumstances or additional services, this is an estimate and cannot be guaranteed as a final bill.

If you have surgery with Dr. Affleck, please be aware that you will be billed from Affleck M.D. Eye Care along with other entities that are involved in your care. The estimate will include, but is not limited to charges of professional services, surgical fees, and reasonable post-operative care rendered by Dr. Aaron J. Affleck.

**ADVANCED PAYMENT REQUIRED:**

Our estimate will need to be **paid in advance** and includes a 20% discount from Affleck M.D. Eye Care. This means you will be asked to settle your account before undergoing treatment.

**PAYMENT TYPES:**

We do accept VISA, MasterCard, Discover and **Care Credit** (*If you need financing*). You can learn more online at [www.carecredit.com](http://www.carecredit.com)

**FACILITY AND OTHER CHARGES:**

For services not billed by Affleck M.D. Eye Care, which can include, but is not limited to, medication, supplies, OR time, pre-op and post-op care, anesthesiologist fees and radiologist reading fees. We have worked in conjunction with these entities to obtain their estimated gross charge amounts.

**CALL THE FACILITY:**

For a more accurate and current pricing please use the information below in the directory to contact the facility directly. Please ask about their advanced payment discounts. It normally is around 25%.

**SELF-PAY OPTS OUT OF ANY CLAIM WORK:**

Lastly, in order for Affleck M.D. Eye Care to agree to accept self-pay the patient must also agree to no claim work done on their behalf. This includes, but is not limited to; submitting claims, charts notes, or filling out third party forms. No pre-authorization or referral requests and etc.
